

NEW Tactical 12-Gauge Shotgun Matches in 2014!

New this year will be two Tactical Shotgun matches August 31st and October 26th, 2014.

Please RSVP if you are attending using the buttons below!

Because you are subscribed to the TacMatch mailing list you get first shot at early registration. Events will be capped at 60 participants maximum. So here's your chance for early registration.

Why are we opening registration early? Tactical shotgun will use a lot more supplies, full size targets for each participant (no taping, just replace), shotgun clays, etc. We need to know how much to order for our supplies and how many RO's we will need. To cover additional supplies Shotgun events will be \$35.

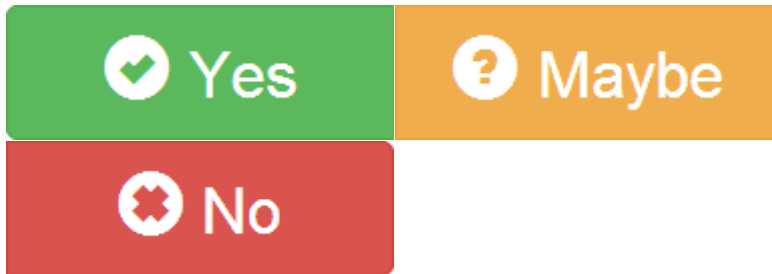

There will be separate divisions for auto-loading vs pump action shotguns. More details about round counts and stage designs will be announced in the coming months.

You can change your mind later, but we need ballpark numbers to order supplies.

Are you Attending? Please RSVP Now!

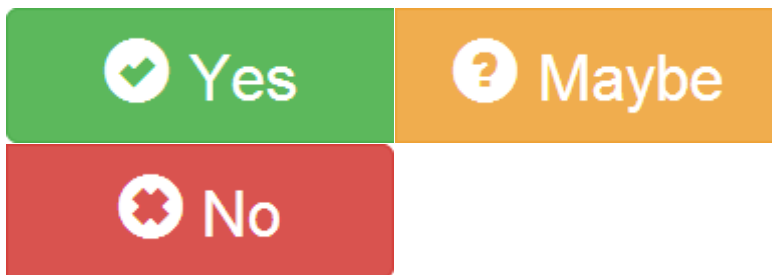

It is mandatory to RSVP for TacMatch events. Don't worry it's easy, and you can do it from your phone. Note, your phone/computer may require you to click "show images" to see the three RSVP buttons below:

What do I need to bring?

- \$35 match fee (or \$5 spectator's fee if you are not participating)
- PAL (firearms license) - we do a quick visual inspection during registration, but

don't record anything.

- Water/Snacks/Lunch if you want.
- A reliable 12 gauge shotgun. There will be separate division for auto-loading vs. pump action.
- Lots and lots of ammo! Ha, ha... more details will be announced with specific round counts for stages.
- High Visibility Chamber Flag - YES shotgun chamber flags! Try wanstalls or ctc supplies. We will try to have some available at TacRifle for purchase before these events.
- Eye Protection
- Hearing Protection
- Quality boots or shoes (It can get muddy and the ground is not even - hiking boots are great!)
- Load bearing gear to hold everything
- Backpack or range bag to carry extra supplies (more ammo, snacks, bug spray, staple gun, pair of work gloves for cleanup)
- Appropriate outdoor clothing - we shoot rain or shine.
- Staple Gun, everyone should have one.
- BONUS: Multi-tools are great for pulling stubborn staples and other general prop manipulation. Get yourself a Gerber/Leatherman/Sog and incorporate it into your kit.
